STANFORD, KY., TUESDAY, APRIL 6, 1909.

NO. 11.

MIDDLEBURG.

John Price and Miss Ethel Bastin, of the Walltown section, were married Sunday, Rev. L. B. Lee officiating.

Sickness is abating somewhat here. Those who have been confined to their homes are out again and a better feeling prevails generally.

The trustees are making an effort to buy the Middleburg Normal College for the use of the graded school. In case they fail to buy the property, Prof. J. S. Lawhorn proposes to lease it to the trustees for a term of years.

The Saints have just closed a two weeks' meeting at the new church on Grove Ridge, just east of Yosemite. Revs. O'Dear and Chappell did the preaching and large crowds attended the services, especially at night, though but few were sufficiently impressed with the new doctrine to embrace it.

The death of Dr. J. T. Wesley, mentioned in last Friday's issue, has cast a gloom over the community. Probably no one could have left us who would have been so sadly missed. He was a familiar figure here for nearly 30 years and was foremost in every good work.

He was a man of even temper, polite to every one, even to the urchin on the road-side. He loved his profession, to which he devoted his whole life, and practiced in the poorest homes regardless of the prospects of remuneration. He was a member of the Methodist church and superintendent of his Sunday school almost continuously since the organization of the church, some 25 years ago. He took great interest in education and had high ideals as to the training of youths. The funeral services took place at the Methodist church Thursday afternoon and were conducted by his pastor, Rev. W. W. Hunt, when his body was laid to rest in Middleburg cemetery. Dr. Wesley was 69 years old and had been a practicing physician for 48 years. His wife and three children are left to mourn his loss. In his demise the wife has lost a loving husband, the children a kind father, the church one of its most devoted members and the community an honest man.

Resolutions of Respect.

Waynesburg K. O. T. M. Lodge No. 55.

Whereas the Grand Master of the universe has seen cause to take from us our esteemed and beloved brother, Leslie Padgett, who was born June 28, 1888, made a Maccabee in this Lodge Jan. 21, 1908 and died March 30, 1909.

Therefore, be it resolved that this lodge has lost a good man and Maccabee, his community a highly respected citizen and his parents a kind and faithful son. That the sympathy of this lodge be extended to his parents, sisters and brothers and that the lodge wear the usual badge of mourning for 30 days.

Resolved, that a copy of these resolutions be spread on our minutes and that a copy be sent to the INTERIOR JOURNAL for publication. Stanley McIntosh, Hendricks Hays, E. C. Jordan, Committee.

Kingsville and Her Advantages.

The following in circular form is being sent out by the enterprising citizens of Kingsville and vicinity:

Kingsville is a small town, located in Lincoln county, Ky., on the Cincinnati, New Orleans & Texas Pacific R. R., 136 miles south of Cincinnati. Has a good Graded School, three churches, four stores, hotel, planing mill, saw mill, hoghead factory and other conveniences—such as rural mail and telephone service that reach most every farm house. The town is surrounded by a country that offers special inducements to men of limited means who wish to secure cheap homes. Our winters are mild, our summer days are pleasant and our summer nights are delightful.

A bad drouth or crop failure has never been known here. The county is blessed with never failing springs of the finest freestone water.

The land is sufficiently rolling to drain and produces fine fruits and vegetables, also field crops, such as corn, wheat, oats, cow peas, potatoes and tobacco. Burley tobacco of a very fine quality is grown here and from 200 to 400 bushels of potatoes have been grown on one acre of this land. All the tame grasses grow here, but Red and Alsike clover, timothy and orchard grass are the varieties usually grown.

Strawberries of the finest quality are shipped from here every season.

As stated above, this locality offers special inducements to people of limited means.

Land is cheap here now but with good schools and churches, good climate, good water and the land itself producing from \$125 to \$150 per acre (especially when cultivated in tobacco,) this land will advance in price from 25 to 50 per cent. within the next few years.

This is not a real estate advertisement, but the statement of a few plain facts furnished by the Growers' Association of this community, the names of whose official members are herewith submitted.

A WASHINGTON dispatch says that

President Taft and Senator Bradley have banded and confederated together, so to speak, to improve the chances of the party carrying the State in the next gubernatorial election, increasing the republican quota of the Congressional delegation, and finally electing a republican to succeed Senator Paynter. In this ambitious effort they are to be assisted by the Kentucky republican members of the House. The work of republicanizing the State is to be done by the judicious distribution of Federal patronage and also with lucre. Senator Bradley's success in landing a capital prize has made him optimistic, with which feeling he has imbued the president, who now regards him as almost an oracle. They have gotten in full accord and although the Senator opposed the president for the nomination, they have gotten to be the best of friends.

THAT the Payne bill was filled with riotous imperfections, was a false pretense, was designed to cover up the extravagance of the republican administration, that it did not redeem party pledges, and that it sounded the death knell of the dominant party, were some of the criticisms passed upon the measure by the democrats in the House.

EIGHT hundred saloons are marked for slaughter in April, according to the statement of Superintendent Shumaker, of the Anti-Saloon League, of Indiana. Two hundred and seventy-six were wiped out in March. Shumaker says that nearly 700 have been abolished since the first local option election was held in December.

THE people of Naples, Italy, are showing great interest in the arrival of the former President Roosevelt. The brevity of Mr. Roosevelt's stay, however, will compel the abandonment of many of the arrangements which have been made for his entertainment. He probably will be able to remain in Naples for only a few hours.

REPRESENTATIVE VICTOR MURDOCK, of Kansas, has introduced a bill in Congress calling upon the States to refund the money that Andrew Jackson distributed among them in 1836, when the surplus from the sale of public lands reached \$38,000,000. There is no earthly possibility of the bill becoming a law,

WITH no more than a corporal's guard on hand at any time during the day, the debate on the Payne tariff bill in the House proceeds wearily. Two weeks already have been consumed in general discussion of the measure and the belief is that it is now concluded.

Combs, of Lexington, was elected campaign chairman and Lexington was selected as permanent campaign headquarters. A CITY ordinance appears elsewhere which our people should read and heed. An effort is being made to prevent the spread of contagious diseases and to that end every good citizen will lend a helping hand.

CHARLES LEVITCH, who clerked for Sam Goldstein for several months, was arrested in Louisville on a charge of using the mails in a conspiracy to defraud. He was released on a bond of \$1,000.

A CITY ordinance appears elsewhere which our people should read and heed. An effort is being made to prevent the spread of contagious diseases and to that end every good citizen will lend a helping hand.

MISS BESSIE YANTIS took quite a number of the Christian Endeavorers from here to Crab Orchard Sunday afternoon, and organized a Christian Endeavor for them. They organized with about 20 members.

MR. W. LOGAN WOOD, who has made Danville a most excellent chief of police, is a candidate for re-election and here's hoping he will win by thousands. There are few, if any better men than "Logue," as his friends here call him, and if Lincoln county people could deaden over the line they would elect him by an enormous majority.

We, with other democrats, enter a solemn protest against the proposition made by Judge J. S. Owsley to Judge M. C. Saufley, to let the voters of Lincoln county determine which shall be the nominee for circuit judge. Judge Saufley very wisely declined to accept because others might enter the race, and for the additional reason that the district committee adopted another method. But our chief objection lies in the fact that such a course would disfranchise the voters in other counties. The successful party is to be our judge, as well as Lincoln's judge, and we want to exercise the right to vote for our choice. County lines are obliterated in this contest and we are opposed to close communion in one corner of the district. Let us avoid complications. - Lancaster Record.

GENTRY. - After an illness of nearly four months, Mr. Richard Gentry died at the Good Samaritan Hospital, Lexington, at 3:30 Friday morning. Deceased was born in this county in September, 1865, and the greater portion of his life had been spent in this community. About 15 years ago Mr. Gentry removed to Lexington, where his genial, open-hearted disposition gathered to him a legion of steadfast friends who sincerely sorrow his untimely end. He is survived by two brothers, Capt. Robert R. Gentry, of this place, and C. E. Gentry, of Oxford, O., and one sister, Mrs. Eliza Blain, of this place.

The remains were brought to the home of Capt. Gentry Friday night and on Saturday afternoon at 3 o'clock all that was mortal of this generous, honest man was lowered to its resting place in Buffalo cemetery after a short service by Rev. D. M. Walker. A large number of acquaintances, including many Lexington Eagles, of which order Mr. Gentry was a member, assembled at his bier to pay the last tribute of respect to their departed friend.

AN immense crowd gathered at Walton's Opera House Friday night to witness the performance of "Mrs. Wiggs of the Cabbage Patch," rendered by Miss Harrietta Jones and a number of Stanford gentlemen and ladies. The play was given under the auspices of the United Daughters of the Confederacy and a snug sum was realized, which will go to the John Morgan Monument Fund. The "show" was good from start to finish and those who took part have reason to feel good over the manner in which they acquitted themselves. Some of the parts were difficult but those who played them were equal to the occasion and acted like veterans of the stage. Miss Jones made a capital Mrs. Wiggs and as Miss Hazy Mrs. A. Tribble was par excellence. Miss Fetro played the role of Lovey Mary to perfection and favored the audience with a beautiful vocal solo. As Miss Lucy, Miss Sallie Taylor Woods was all that could be desired and as Mesdames Eichorn and Shultz, Mrs. Kathryn Beasley and Miss Mary Higgins were excellent. Miss Bertie Jean Penny made a splendid Asia and as Australia and Europa, Misses Lettie Walker McKinney and Mary Moore Raney were first rate. George Dunlap Hopper portrayed Mr. Stubbin in a most realistic way, while Dr. T. W. Pennington as Mr. Wiggs and Walter Milburn as Mr. Bob acted their parts to perfection. Jim Bob Newland was fine as Billy Wiggs and Russell Brown as Chris Hazy was A. Little Dorothy Tribble made the cutest kind of a Tommy. W. O. Martin was clever as sheriff and Prof. J. N. Wiggin and Alfred Pence as H. Jones and Brother Spicer, played their parts most satisfactorily. The drills were well executed and greatly enjoyed by the large crowd. It was a high-class performance and those who witnessed it felt well repaid for their time and money spent. The U. D. C.s, Miss Jones and the others who took part are entitled to vote of thanks for giving our people one of the cleanest and best performances seen here for a long time.

THE Cincinnati Enquirer, in a recent notice, had the following concerning Miss Em Smith, who will play at the recital Friday night at the Christian church: "A plaintive theme was announced then in a violin solo, given with a beautifully sustaining tone by Miss Em Smith. Mr. Tirindelli is to be congratulated on his orchestra. It is capable of nuance and interpretive capacity. The orchestra evinced a vitality that would have done credit to any professional organization."

REG. NO. 3605, A. S. H. R.

Beautiful bay saddle stallion, 15.2 hands, foaled June, 1905.

His sire was the greatest stallion in Kentucky, and his dam is a valuable blood line. He has the long, thin neck, strong, short back, delicate legs, well set, heavy tail, flat bone, clean hock and good foot and eyes so characteristic of the get of the famous stallion, King of the Hill. He is a good sire, and an individuality must add to the merit of our Kentucky horses and we ask for him a liberal patronage. This richly bred young horse has all the qualities of great size, bone and style, and is a true-blooded stallion, coming to him through selected stock. Preston 92, his sire, was the greatest horse of his day, winning at all the fairs and horse shows, taking the blue ribbon at St. Louis, winning \$1000. You will find King of the Hill a good sire, and his great son, King 739, tracing to Stonewall Jackson, and on his sire's side to Washington, Denmark 64, and on his daughter's side to Alice 54, by Harp's Halcyone 102, Van Meter's King 739, Dam Maud V 40, by Granger F. S.
